

How to Use the "Magic Finger"

With **See abc's™**, kids learn how to DRAW the letters. It's much more FUN than writing lines and circles.

1. The Magic Finger

6. You DID it! The child is thrilled with himself

2. Place thumb in the oval and pinch

7. He immediately wants to go on!

3. Follow the line and DRAW the Apple

8. Show how to DRAW the bat and ball

4. Putting the Magic Finger on 2-yr old

9. Guide through DRAWING the bat and ball

5. Guide the child in DRAWING the apple

10. He's going on. Kids LOVE the Magic Finger.
